

WELCOME to GREENVILLE

GATEWAY TO THE

MOOSEHEAD LAKE
REGION

Three ways to keep warm....

5:16 / 11:23

BUTTER

Why is this one of the only experiences I remember from high school?

And why do I credited it as being one of the most transformative?

Olin College of Engineering

Founded from scratch to be different; no academic departments; no tenured faculty; hands on from day one; people inspired; entrepreneurial culture.

Design Nature

Quantitative Engineering Analysis

BLUE ORIGIN

 Olin College
of Engineering

SCOPE Capstone

Experiential learning not only develops real problem solving and professional skills but creates the environment for the highest level of motivated learning:

Intrinsic Motivation

- **Autonomy**
- **Mastery**
- **Relatedness**

Olin College of Engineering
