**44% OF AMERICANS
AREN'T MENTORING
YET, BUT ARE
WILLING TO
CONSIDER IT**

The Power of Relationships Report

**MENTORING UNITES US.
78% OF MENTORS ARE
MENTORING YOUTH OF
A DIFFERENT SOCIO-
ECONOMIC STATUS**

The Power of Relationships Report

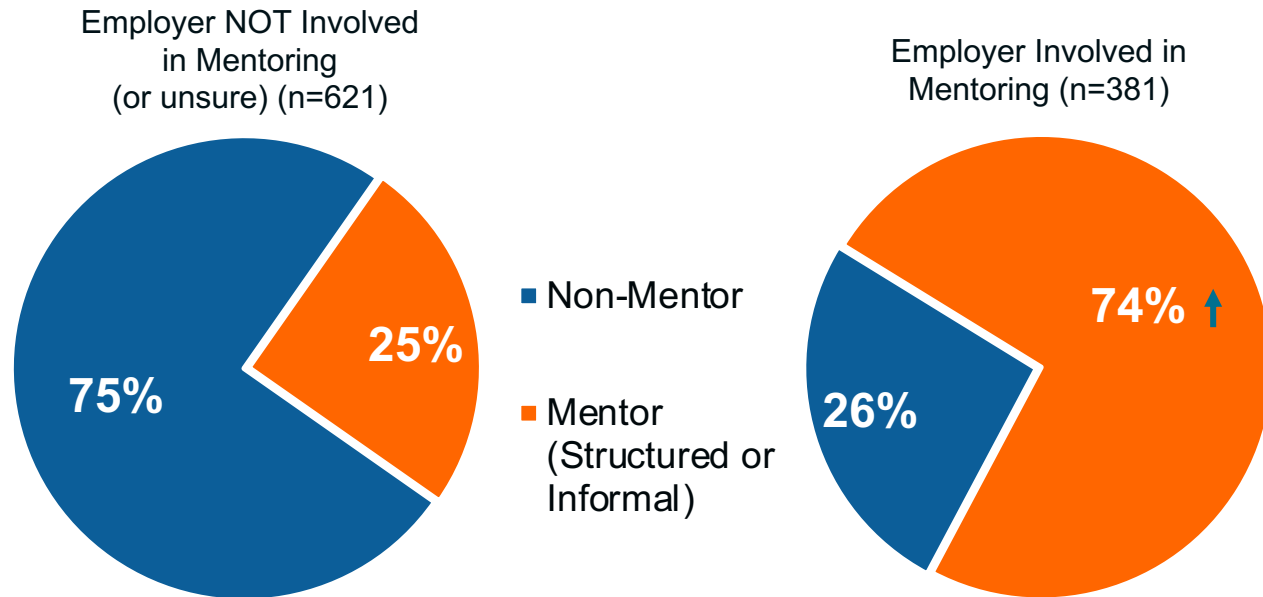

**83% OF AMERICANS
SUPPORT THE
GOVERNMENT
INVESTING IN
YOUTH MENTORING**

The Power of Relationships Report

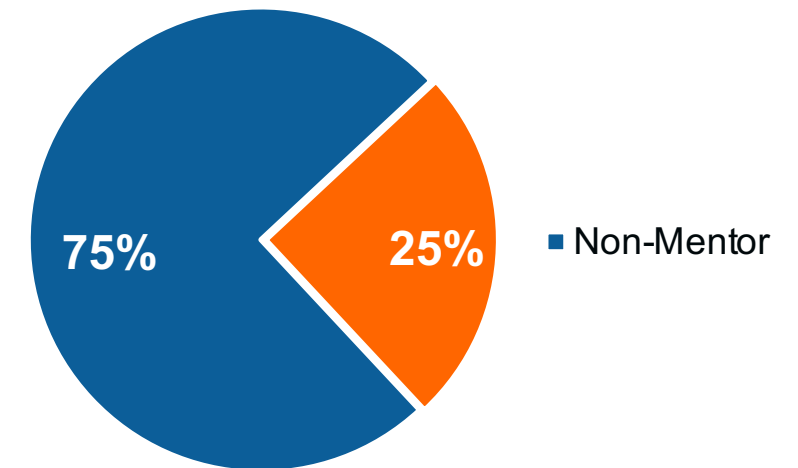

The corporate sector can make a **huge** difference in mentoring rates

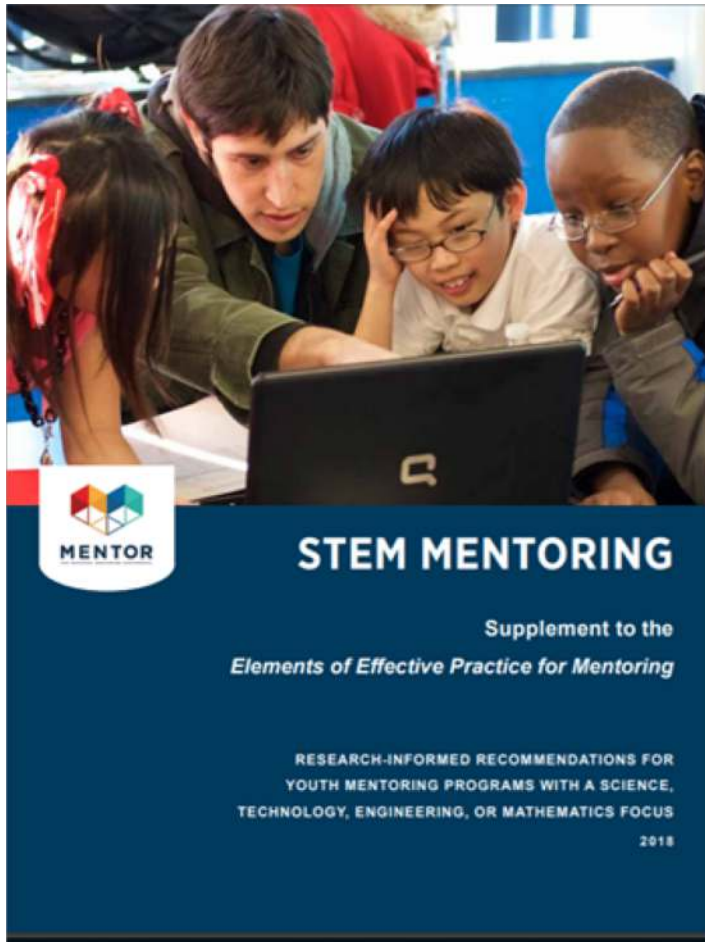

- When an employer directly supports mentoring, the percentage of individuals who mentor (in a structured program or informally) triples in size.
- Those with an employer involved in mentoring do so at a rate nearly three times that of the general population.

RATE OF MENTORING AMONG THOSE EMPLOYED
